JUDGMENT

Petitioner has approached this court seeking a direction to the second respondent to dispose of Ext.P1. Ext.P1 is the arbitration case filed by the petitioner. Complaint of the petitioner is that the case is pending for a long period of time. It is stated that the case was posted on various dates and that during the last one year there is no posting also. It is further stated that the petitioner and her counsel several times contacted the second respondent and enquired about posting of the case. I feel that since it is a case of the year 2005, even without notice to the first respondent, the writ petition can be disposed.

I heard learned Government Pleader also. The writ petition is disposed of directing the second respondent to consider and take a decision on Ext.P1 with full opportunity to the parties within a period of three months from the date of receipt of a copy of this judgment.
